**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Joint Application of Pacific Pipeline System LLC, Plains All American Pipeline, L.P., and LB Pacific, LP, for Authorization Pursuant to Public Utilities Code Section 854(a) for Transfer of Control of Pacific Pipeline System LLC from LB Pacific, LP to Plains All American Pipeline, L.P.

Application 06-06-023  
(Filed June 23, 2006)

Joint Application of Pacific Terminals LLC, Plains All American Pipeline, L.P., and LB Pacific, LP for Authorization Pursuant to Public Utilities Code Section 854(a) for Transfer of Control of Pacific Terminals LLC from LB Pacific, LP to Plains All American Pipeline, L.P.

Application 06-06-024  
(Filed June 24, 2006)

**ADMINISTRATIVE LAW JUDGE'S RULING  
GRANTING MOTION TO CONSOLIDATE APPLICATIONS**

**Summary**

The joint motion of Pacific Pipeline System LLC, Pacific Terminal LLC, Plains All American Pipeline, L.P. and LB Pacific, LP (Moving Parties) to consolidate Application (A.) 06-06-023 and A.06-06-024 is granted.

**Discussion**

Even though these two applications for transfers of control relate to the same business transaction, our rules require the parties to file separate applications for each of the regulated utilities involved (Pacific Pipeline System LLC and Pacific Terminal LLC). Rule 55 permits consolidation of proceedings

A.06-06-023, A.06-06-024 KJB/sid

involving related issues of law and fact. Though different entities are involved, each of these applications will require consideration of the same questions of law and fact. Accordingly, consolidation of the proceedings is appropriate and convenient for the parties and the commission.

**IT IS RULED** that the joint motion of the Moving Parties to consolidate Application (A.) 06-06-023 and A.06-06-024 is granted.

Dated July 10, 2006, at San Francisco, California.
